"AMERICA'S GREATEST RAILROAD."

YORK CENTRAL & HUDSON RIVER RR. Direct Line to Ningara Falls.

America, then — and the barber kept on shaving.

A Little Definition.

"Lend me a V," said the master to the scholar, according to the Detroit Free Press.

"What do you mean by a V?"

"Why, a fiver, of course."

"Why do you call it a V?"

"Why do you call it a V?"

"Why do you call it a V?" Why do you call it a V?"

Why do you call it a V?"

Because V is the Roman symbol for five."

"Third you will tell me why five came to be represented by V."

"Third you will tell me why five came to be represented by V."

"With a lot of coil the patient fastener werks well, but it is no good on earth to a woman with a convenient little crop of tresses. Jew."

"Well," said the scholar, "the Romans wheld up an open hand to signify five—the yellers keep on turning out hairpins of steel, git wire, and silver, with flowers, pear beads, stars, knots, and disks for head. They vary from 10 cents to \$10, and are oroamental, but they make straw of the delicately woven braid and chip hats.

"Well," said the scholar, "the Romans held up an open hand to signify five—the V represents the thumb and the other the fingers. One line of the V represents the thumb and the other the fingers. We moderns use the open hand signify in another way and thus I place my thumb to the nose and spread out the fingers, which means, dear boy, you don't the fingers, which means, dear boy, you don't the first the fingers, which means, dear boy, you don't the fingers, and if my four fine the fingers, which means, dear boy, you don't the fingers, which means, dear boy, you don't the fingers, and if my four fine the fingers, which means, dear boy, you don't the fine 10.30 A.
